Public Buses:

For Public Buses there will be new bus routes and new timetables from June 11th 2017. If your child requires a **public bus** to get to and from school, their journey is likely to change. There are too many options to list here and you will need to plan their bus journey using the bus timetables and bus route maps available from Auckland Transport's website www.AT.govt.nz/newnetworkwest, or contact the Call Centre on 09 366 6400.

Continued next page.....

Please see the link of the West Auckland suburb guide. It includes the route maps of existing West buses. It should help you picture what services students are using and where they are travelling from. https://at.govt.nz/media/1862373/wg_western-guide_june-2016_web.pdf

The best advice for students when looking at the new map is: where are you and where do you want to go to.....

For many it will include a transfer. With a HOP card, the transfer is free if they transfer within 30 minutes. There are other exclusions however it will generally be free for them because they need to get to school. Now they get off at Henderson then transfer.

The 141 is what they catch from Henderson to school

The 142 is what they catch from school to Henderson

From Ranui the new 143 goes along Univeral Rd, students can walk from here down Rathgar....or take the train to Sturges Rd and walk to Rathgar.

For those needing to transfer at Henderson, they have the option of the train and the 141.

From New Lynn, catch the train to Sturges Rd station.

To plan their new journeys, use the Journey Planner, select the date as Monday 12 June for the new options. <https://at.govt.nz/bus-train-ferry/>
