

COVID-19 Update
 Due to the COVID-19 Level 4 restrictions, the winter sports season is considered finished as at 17th August. Final placings will stand as of that day.

All AAIMS zone and interzone competitions for our Year 7 & 8 students have also been cancelled or postponed.

Should Auckland see a move to Alert Level 1 or 2 for Term 4, it will be possible for some sports to run within guidelines for maximum participants relating to indoor/outdoor activities.

Sport Academy
 Applications for places in the 2022 classes are available via School point as students make their option choices. The purpose of these academies is to identify, support and develop our sportsmen to improve performance of targeted teams and sport in general. Focusing on sport specific skills, pre-season conditioning, fitness and game strategy.

Enquires to Director of Sport: [Tane Hughes](#)

Each academy will run 1x 90 minute session per week

- Basketball
- Cricket
- Football
- Rugby

Sports Uniforms
 All students involved in Term 4 sport will be required to represent the school with pride and wear the sports uniform for all games and tournaments. These can be purchased through the accounts department or at the main school office. All details can be found on the school [website](#).

Cricket:	Liston College Sport top and white pants.
Volleyball/Touch/Softball/Tennis:	Liston College Sport top and black shorts.
7s Rugby:	Black rugby shorts and Liston College rugby socks
